Program category(ies)

Health Care occupations, training or industries

This awareness program includes information that will help students understand what blood borne pathogens are and how risks of exposure can be reduced for themselves and others. This program is intended for compliance with OSHA's 29 CFR 1910.151, the "Access to Medical Care" standard as well as 29 CFR 1910.1030, the "Blood borne Pathogens" standard.
